

KEEPING IN TOUCH 7

Tuesday 23rd June 2020

I thought that a 'fun' type face was appropriate because of the great support you have given to the phone around last week, a unanimous vote of 'yes' to issuing a 'call'.

The typeface is easy to understand, nice little curls in the letters...a bit of flourish...something different. So our journey continues with a feeling of excitement. I need to remind all of us that this matter remains confidential and within the congregation at the moment. If the minister responds with his 'yes' and then informs his congregation, then the time for confidentiality is past. I will let you know when this happens. Until then as Sargent Schultz would say, *'I know nothing!'*

Have you been inviting people into your home for a 'cuppa'? I am aware that there are a number of people who are doing this on a regular basis...you can have up to 5 guests at present, providing you have enough room for social distancing...1.5 meters apart or 4 square meters per person.

The 'Singers of Joy' are meeting each week in groups of 3 or 4 in different members' homes...a great way to keep in touch. Maybe some other groups in the church might like to think about doing something similar.

I read in the newspaper yesterday that: *'from today, for the next twelve months, there will be a little more daylight every day'*.

Let's also remember the members of our congregation, family, friends, neighbours who are not well and finding the current restrictions very difficult. And if you are finding things difficult phone a friend!

Zoom, zoom, zoom...a number of us are keeping in touch every Sunday morning at 11am using zoom. Anyone can join us if you have the technology on your computer or have a mobile phone that connects to the internet. If you would like to join in this meeting, all you need to do is to send me an email or contact me by phone and I can send you an invitation. The invitation will include a password that you will need to be able to participate.

Keep warm, wear a smile, talk with each other...talking to yourself is OK too!

Peace and blessing,
Des
